

Science Long Term Overview 2024-25

<u>Year</u> <u>3</u>	Light - Physics (8 weeks)	Forces and Magnets - Physics (8 weeks)	Rocks - Geology (7 weeks)	Plants - Biology (7 weeks)	Animals including humans - Biology (8 weeks)
<u>Year</u> <u>4</u>	Animals including humans (The Digestive System) - Biology (8 weeks)	Electricity - Physics (8 weeks)	Sound - Physics (8 weeks)	Living things and their habitats - Biology (8 weeks)	States of matter - the water cycle - Chemistry (7 weeks)
<u>Year</u> <u>5</u>	Forces - Physics (7 weeks)	Animals including Humans - Human Life Cycles - Biology (6 weeks)	Earth and Space - Physics (7 weeks)	Properties of materials - Chemistry (9 weeks)	Living things and their habitats - Life cycles of other animals - Biology (5 weeks)
<u>Year</u> <u>6</u>	Animals including humans The Circulatory System - Biology (6 weeks)	Light - Physics (7 weeks)	Living Things and Their habitats (Classification) - Biology (8 weeks)	Evolution and Inheritance (8 weeks)	Electricity - Physics (6 weeks)
